

## ANNOUNCEMENT

*World Federation for Mental Health*

**World Congress for Mental Health**  
**Washington, D.C., U.S.A., July 22-27, 1983**

This will be an exceptional occasion, the first such Congress in the United States for well over a decade, celebrating the mental health movement launched by Clifford W. Beers, and the more than half-century since the first world mental health meeting, in the same city, in 1930.

*Programme:* Personal and Social Responsibility in the Search for Mental Health, Collaboration Between Volunteers, Professionals and Governments in the Foundation of Mental Health Policy and the Delivery of Services.

*Sub-themes:* Population; Violence, International and Interpersonal; Role of the Family, Community and Self Help Groups; Coping with Stress; Positive Health Promotion.

*Enquiries:* World Congress for Mental Health  
c/o D. & S. Whyte Associates  
117, King Street, Suite 200  
Alexandria, VA 22314, U.S.A.

Advantageous registration fees available by registering in advance, until May 15th, 1983.
